APPLICATION TO AUDIT

Reed MALS graduates may apply to audit one graduate course. Audited courses are not for credit and are not recorded on the college transcript. Auditors are expected to complete all readings and attend class regularly, but written assignments will not be evaluated and participation in class discussions is at the discretion of the instructor. MALS graduates are limited to one MALS course audit per year.

Please complete this application and send it to the MALS Office no later than 30 days prior to the start of the desired term of audit. (Please note that you will need to obtain the instructor's signature of approval.) The Committee on Graduate Studies will consider the auditor's statement of interest, along with instructor approval and space availability, in reviewing the audit application.

The fee to audit is $100 per course. If your application is approved by the Committee and instructor, you will need to make payment to the Business Office before the start of the term.
