PLEASE WRITE YOUR LEGAL NAME ON ALL SUBMITTED MATERIALS.

1. “Why Reed?” essay. How did you first become interested in Reed, and why do you think Reed would be an appropriate place, both academically and socially, to continue your education? (You may have answered this question the first time you applied; however, we are interested in hearing your current perspective on why you continue to believe that Reed will be an appropriate place—academically and socially—for you to continue your education.)

2. Writing sample (U.S. citizens and permanent residents only). Submit a photocopy of a research or expository paper (in the English language) with grade or instructor’s comments included. The paper should be one that you have written recently.

3. Reapply essay. If you have not been continuously enrolled in school, submit a statement addressing what you have been doing since you last applied to Reed.
