**1. Where can I get information on the Reed College International Student Health Insurance Plan?**

All the information is available online. You can download the plan brochure or an identification card from the Aetna Student Health website at [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com).

**2. What does the Student Insurance Plan cover?**

This is an accident & sickness plan only. It does **not** offer dental or vision benefits. It does **not** cover routine exams or preventative care (except as specifically provided for in the Schedule).

**3. How do I know if I am eligible to enroll? And how do I enroll?**

All international students are required to carry medical insurance.

Any student with existing coverage may be exempted from participation in this Plan by completing a waiver form online through IRIS or downloading a form at [http://www.reed.edu/business/business\\_forms.html](http://www.reed.edu/business/business_forms.html) and faxing it to the Reed Business Office by the appropriate deadline.

If you do not waive the coverage, the premium will be billed to your student account at Reed each semester during the academic year.

**4. How much does it cost? And what are the effective dates of coverage?**

	<u>Effective Dates</u>	<u>Student Premium</u>
Fall Semester	8/22/2009-1/9/2010	\$399.00

Aetna Student Health will assign you an identification number. That number will be on the identification Card that Aetna Student Health will mail to your Reed mail box.

**6. Does this plan cover my pre-existing condition?**

No benefit will be payable for a pre-existing condition until you have been on the plan for 3 months. A pre-existing condition is a condition for which you received medical advice, diagnosis, care or treatment for within 3 months prior to enrolling on this plan.

However, if you had other insurance within 63 days of enrolling on this plan, treatment for your pre-existing condition may be payable.

For further clarification or questions, please contact Aetna Student Health at 1-866-574-8289.

**7. How do I get a prescription?**

Eligible prescriptions must be purchased at a participating Aetna Preferred Pharmacy. You can locate participating pharmacies online at [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com). When you take your prescription to an Aetna participating (preferred) pharmacy, there is no claim form to file when you present your identification card. Refer to the plan summary for prescription co-pays.

**8. How do I file a medical claim?**

Most providers will bill the insurance company from the information provided on your identification card. If you are required to pay up front, you may fill out a claim form and mail this to Aetna Student Health with your itemized billing. This must include procedure and diagnosis codes.

**9. Are there certain doctors that I must see?**

This plan uses Aetna Preferred Providers. Preferred providers can be found on the Aetna Student Health website. This plan does not require you to see a preferred provider, but if you do, you will substantially lower your out of pocket cost.
